Send Picture Messages (MMS) №

This article applies to:

Please Note! This feature requires the free mobile app, Keap Business Line and is not available in Text Marketing

Follow these instructions to send an MMS text message from your Keap app:

- 1. To select a picture to send to a contact in a message, navigate to the message conversation for the contact you'd like to send the message to.
- 2. Click on the Picture icon below the message input
